Drowning

Kevin Morby

They say love's an ocean
They say love's the sea
They say all that I've done wrong
One day is gonna find me
They say a lot of things
Who's to say that they are trueBut I trust my vessel
Darling to get me to you
Yet I'm tied at the pier
With this brown rig all around you
All that I've done wrong
Has found me
Oh my baby would you come back to me
If love is like an ocean if our love is like the sea
Then we're drowning
Then we're drowningThey say love's a fire
Get out or take the heat
They say love's a distance
That you will never meet
Though my head's a skyway
My heart like an eagle
They say my soul's a ship
That got drunk and lost its way
They say love's a wonder
A masterpiece
If our love is like an ocean if our love is like the sea
Then we're drowning
Then we're drowning
Then we're drowning
