

# Blessed

## Joan Armatrading

Life is hard, work is dirty  
Friends plead poverty  
Fame and fortune keeps it's own time  
So don't wait upBut if you can feel the sun  
If you can feel the rain  
Life can't be badIf you've got food to eat  
And all your dreams to dream  
Life can't be badIf you can walk away  
And fight another day  
Life can't be that bad
