

# I'll Cover You (Reprise)

## Rent

Live in my house, I'll be your shelter  
Just pay me back  
With one thousand kisses  
Be my lover, I'll cover you  
Open your door, I'll be your tenant  
Don't got much baggage, to lay at your feet  
But sweet kisses, I've got to spare  
I'll be there and I'll cover you  
I think they meant it  
When they said you can't buy love  
Now I know you can rent it  
A new lease you are my love  
On life, be my life  
Just slip me on, I'll be your blanket  
Wherever, whatever I'll be your coat  
You'll be my king, and I'll be your castle  
No, you be my queen, and I'll be your moat  
I think they meant it  
When they said you can't buy love  
Now I know you can rent it  
A new lease you are my love  
On life, oh my life  
I've longed to discover  
Something as true as this is  
So with a thousand sweet kisses, I'll cover you  
(If you're cold and you're lonely)  
With a thousand sweet kisses, I'll cover you  
(You've got one nickel only)  
With a thousand sweet kisses, I'll cover you  
(When you're worn out and tired)  
With a thousand sweet kisses, I'll cover you  
(When your heart has expired)  
Oh lover, I'll cover you, yeah  
Oh lover, I'll cover you
