

# New Thing

## PRIORY

Hey, they made love and now you're born  
You can't move your head or arms  
The rest is up to you, rest is up to you  
Hey, it looks like you made the grade  
Four years and you'll be paid  
The rest is up to you, rest is up to you We swallow what they feed  
And [?]  
Why do we chase our tail like a dog?  
Bears give hugs  
Lovers make love  
Kids do drugs  
And we act like it's the new thing Hey, you meet a girl and she's okay  
30 years, you get that mortgage paid  
The rest is up to you, rest is up to you  
Hey, you're a slave to culture's clock  
Now you retire and get a watch  
The rest is up to you, rest is up to you  
+ Kids gonna do what those kids gonna do  
If you try to control what get them into  
Kids  
If you [?] a reason, it ain't nothing knew It ain't a new thing
