

Pathetic Sense

The Cranberries

Time is an illusion, baby I'm on your side
Love is a confusion, baby you'll never hide
Come to the conclusion, baby your love has died
Time is an illusion, baby I'm on your side
Time is an illusion, baby I'm on your side
Love is a confusion, baby you'll never hide
Come to the conclusion, baby your love has died
Time is an illusion, baby I'm on your side
I want to jump on your head
Until I get blisters
I will drop bombs on your bed
You'll be calling your sisters 'cause
Time is an illusion, baby I'm on your side
Love is a confusion, baby you'll never hide

Life was an attraction, baby but you never tried
Now it's an attraction, maybe you should have died
I want to jump on your head
Until I get blisters
I will drop bombs on your bed
You'll be calling your sisters 'cause
Time is an illusion, baby I'm on your side
Love is a confusion, baby you'll never hide
Come to the conclusion, baby your love has died
Time is an illusion, baby I'm on your side
Pathetic senses, I'm on your side
Pathetic senses, I'm on your side
Pathetic senses, I'm on your side
