

# Free Money

## Sammy Hagar

Every night before I got to sleep  
Find a ticket, win a lottery  
Scoop those pearls up from the sea  
Cash them in and buy you all the things you need  
Every night before I rest my head  
I see those dollar bills go swirling all around my bed  
I know they're stolen but I don't feel bad  
I'll take that money and buy you things you've never had  
Oh baby, it would mean so much to me  
Oh baby, to buy you all the things you need for free  
If you believe, believe in me  
Where were you, babe? Where were you, babe?  
Where were you, babe? Where were I had free money, free money, I had free money  
I had a dream about you, a dream about me  
And we had free money and a black limousine  
Everything was new, it was clean
