On The Run

Crystal Bowersox

I ain't got no plans, no place to go
Where I stop nobody knows
Singing something to myself,
Wishing I was somewhere else
You ain't got to got to be my friend,
'Cause I don't know about me back again
But if you wanna wait out there,
Come on, come on, come out and play,
Yeah...'Cause I, I'm on the run
And I'm just looking to have me some fun
Yeah, uh, uh,
I, well, I don't need nobody
'Cause I'm on the run,
Yeah, oh, I'm on the run...Well, I ain't no superstitious,
Pageant queen,
I ain't trying to be no new James Dean,
I ain't looking for a place to lay my head
Except a beach, a bench
Or a flower bed, oh,
Don't fall in love with me,
'Cause I have got to got to be free
But if you wanna wait out there,
Come on, come on, come out and play,
Yeah...'Cause I, I'm on the run,
Well, I'm just looking to have me some fun
Yeah, hmm,
I, well, I don't need nobody,
No holding me down,
I gotta get myself away from this town
I, well, I don't want nobody, no,
Nobody holding me back,
So don't you hold me back, boy, no...We're gonna take it slow
Cruise along, listen to the radio
And all dressed up and no place to go
I got my halo and got my gun,
Got my guitar, got the sun
And if it wasn't for the devil onto my head
Love you but until I'm dead, yeah...'Cause I, I'm on the run,
Well, I'm just looking to have me some fun

Yeah, uh, uh
I, well, I don't need nobody,
Nobody holding me down, hmm,
I gotta get myself away from this townI, I'm on the run, hmm,
I'm just looking to have me some fun
Yeah, uh, uh,
I, well, I don't need nobody,
No holding me down,
Gotta get myself away from this town
I, well, I don't want nobody, no,
Nobody holding me back,
So don't you hold me back,
Don't you hold me back, baby, no,
I said don't you hold me back, boy, no...Don't hold me back, baby, no, no, no,
You better get off outta my way,
Yeah, yeah, yeah, yeah,
Hmm, yeah, yeah...
