

I Wish You Love

Barbra Streisand

Goodbye
No use leading with our chins
This is where our story ends
Never lovers, ever friends Goodbye
Let our hearts call it a day
But before you walk away
I sincerely want to say I wish you bluebirds in the spring
To give your heart a song to sing
And then a kiss but more than this
I wish you love And in July a lemonade
To cool you in some leafy glade
I wish you health and more than wealth
I wish you love My breaking heart and I agree
That you and I could never ever be
So with my best, my very best
I set you free I wish you shelter from the storm
A cozy fire to keep you warm
But most of all but most of all
When snowflakes fall
I wish you wealth, I wish you health
I wish you love
