Happy Holiday

Jo Stafford

Happy holiday, happy holiday
While the merry bells keep ringing
May your every wish come trueHappy holiday, happy holiday
May the calendar keep bringing
Happy holiday to youIf you're burdened down with trouble
If your nerves are wearin' thin
Park your load down the road
And come to Holiday InnIf the traffic noise affects you
Like a squeaky violin
Kick your cares down the stairs
Come to Holiday InnIf you can't find someone
Who will set your heart a-whirl
Take your car and motor to
The home of boy meets girlIf you're laid-up with a breakdown
Throw away your vitamin
Don't get worse, grab your nurse
And come to Holiday InnHappy holiday, happy holiday
While the merry bells are ringing
May your every wish come trueHappy holiday, happy holiday
May the calendar keep bringing
Happy holidays to youHappy holiday, happy holiday
While the merry bells keep ringing
May your every wish come trueHappy holiday, happy holiday
May the calendar keep bringing
Happy holidays to you
