

Happy Holiday

Jo Stafford

Happy holiday, happy holiday
While the merry bells keep ringing
May your every wish come trueHappy holiday, happy holiday
 May the calendar keep bringing
Happy holiday to youIf you're burdened down with trouble
 If your nerves are wearin' thin
 Park your load down the road
And come to Holiday InnIf the traffic noise affects you
 Like a squeaky violin
 Kick your cares down the stairs
Come to Holiday InnIf you can't find someone
 Who will set your heart a-whirl
 Take your car and motor to
The home of boy meets girlIf you're laid-up with a breakdown
 Throw away your vitamin
 Don't get worse, grab your nurse
And come to Holiday InnHappy holiday, happy holiday
 While the merry bells are ringing
May your every wish come trueHappy holiday, happy holiday
 May the calendar keep bringing
 Happy holidays to youHappy holiday, happy holiday
 While the merry bells keep ringing
May your every wish come trueHappy holiday, happy holiday
 May the calendar keep bringing
 Happy holidays to you
