

Tracks of My Tears

[Linda Ronstadt](#)

People say I'm the life of the party
'Cause I tell a joke or two
Although I might be laughing loud and hearty
Deep inside I'm blue So take a good look at my face
You know my smile looks out of place
If you look closer it's easy to trace
The tracks of my tears Oh, I need you, need you Since you left me if you see me with another guy
Looking like I'm having fun
Although he might be cute he's just a substitute
Because you're the permanent one So take a good look at my face
You know my smile looks out of place
If you look closer it's easy to trace
The tracks of my tears, oh Outside, I'm masquerading
Inside my hope is fading
I'm just a clown since you put me down
My smile is my make-up I wear since my break-up with you Baby take a good look at my face
You know my smile looks out of place
If you look closer it's easy to trace
The tracks of my tears Woah baby take a good look at my face
You know my smile looks out of place
If you look closer it's easy to trace
The tracks of my tears, ooh
