

It Don't Come Easy

Ringo Starr

It don't come easy
You know it don't come easy
It don't come easy
You know it don't come easy Got to pay your dues if you wanna sing the blues
And you know it don't come easy
You don't have to shout or leap about
You can even play them easy Open up your heart, let's come together
Use a little love and we will make it work out better I don't ask for much, I only want your trust
And you know it don't come easy
And this love of mine keeps growing all the time
And you know it don't come easy Peace, remember peace is how we make it
Here within your reach if you're big enough to take it Got to pay your dues if you wanna sing the blues
And you know it don't come easy
You don't have to shout or leap about
You can even play them easy Peace, remember peace is how we make it
Here within your reach if you're big enough to take it I don't ask for much, I only want your trust
And you know it don't come easy
And this love of mine keeps growing all the time
And you know it don't come easy
