The Day You Died

The Vespers

Ooh ayyy ayyy ayyy
What would I do
If I didn't affect you
Mary go round and round and round
Tell me the truth I know that you're leaving
Teel me the truth I know its youStrange it didnt affect me
Strange it didnt affect meOh
Stay Stay
Assuming to your hear,
we got nothing at all
What should I do?
It completely destroyed you.
Tell me the truth loveI know that you need me
Tell me the truth
I know it's youStrange it didn't affect me
Strange it didn't affect me
