Poison heart

Stiv Bators

No one ever thought this one would survive
Helpless child, gonna walk a drum beat behind
Lock you in a dream, never let you go
Never let you laugh or smile, not you
I just want to walk right out of this world
'Cause everybody has a poison heart
I just want to walk right out of this world
'Cause everybody has a poison heart
Making friends with a homeless torn up man
He just kind of smiles, it really, shakes me up
There's danger on, every corner but I'm okay
Walking down the street trying to forget yesterday
I just want to walk right out of this world
'Cause everybody has a poison heart
I just want to walk right out of this world
'Cause everybody has a poison heart
You know that life really takes it's and a poets
Gut reaction is to search his very soul
So much damn confusion before my eyes
But nothing seems to phase me and this one still survives
I just want to walk right out of this world
'Cause everybody has a poison heart
I just want to walk right out of this world
'Cause everybody has a poison heart
