

God Save the Queen

Anthrax

God save the queen
The fascist regime
They made you a moron
A potential H bomb God save the queen
She ain't no human being
There is no future
In England dreaming Don't be told what you want
Don't be told what you need
There's no future, there's no future
There's no future for you God save the queen
We mean it man
We love our queen
God saves God save the queen
'Cos tourists are money
And our figurehead
Is not what she seems Oh, God save history
God save your mad parade
Oh, Lord, God have mercy
All crimes are paid When there's no future
How can there be sin
We're the flowers
In the dustbin We're the poison
In your human machine
We're the future
You're future God save the queen
We mean it man
We love our queen
God saves God save the queen
We mean it man
There is no future
In England dreaming No future
No future for you
No future for me
