Just In Time

Valerie June

Take my breath away
And you put me down
Teach me how to play againSaid, when I thought my heart
Had fallen with the rain
You taught me how to love againYour sweet eyes
They don't lie
And your healing touch
Put my doubt asideWhen I open my heart
Just to find
We are one
We are one
Just in timeWhen my voice was dry
And my eyes were sore from tears
Taught me how to face my fearsWell, I've tasted love before
But I never saw the light
Till you opened up the doorYour sweet eyes
They don't lie
And your healing touch
Put my doubt asideWhen I open my heart
Just to find
We are one
We are one
Just in timeYour sweet eyes
They don't lie
And your healing touch, yes love
Put my doubt asideAnd I open my heart
Just to find
We are one
We are one
Just in time
