Since You're Gone

Taking Back Sunday

Since your high
Since you steal
Since you hate everything I feel
Since you cheat
Since you lie
Since you don't wanna try things I wanna try

Since you been gone
My life has moved along
Quite nicely actually
I've got a lot more friends
And I don't have to pretend
Since you're gone
Since you're gone

Since you're not what I want
You can take everything I've got
Take the sink
Take the drier
If I say I love you I am a liar

Since you been gone
My life has moved along
Quite nicely actually
Meet my lover Jen
And I don't have to pretend
Since you're gone
Since you're gone

Well I've been looking for a new direction anyway
I've been thinking bout my own protection to stay

Now that you're gone my life has moved along
Now that you're gone my life has moved along
Now that you're gone my life has moved along
Now that you're gone

Since you're high
Since you steal
Since you hate everything I feel

Since you cheat
Since you lie
Since you don't wanna try things I wanna try

Since you been gone
My life has moved along
Quite nicely actually
(Thanks for asking)
