Locked In

Judas Priest

I can't stand the way you move it
You drive me crazy with that walk
You get me so excited, I tremble and I shake
When you make the moves you makeYou've got the key, the key to my heart
Go ahead and use it
Drag me in, slam the door
Then I'll be yours forevermoreYou've got me locked in
Locked inside your love
You've got me locked in
Locked inside your loveI can't take it when you touch me
Feels so good I could explode
You've got me in a frenzy, I tremble and I quake
When you shake the things you shakeYou've got the key, the key to my heart
Go ahead and use it
Drag me in, slam the door
Then I'll be yours, forevermoreYou've got me locked in
Locked inside your love
You've got me locked in
Locked inside your loveLocked in
Locked inside your love
You've got me locked in
Locked inside your loveYou've got the key, the key to my heart
Go ahead and use it
Drag me in, slam the door
Then I'll be yours forevermoreYou've got me locked in
Locked inside your love
You've got me locked in
Locked inside your loveYou've got me locked in, baby
Locked inside your love
You've got me locked in
Locked inside your loveYou've got me locked in, baby
Locked inside your love
You've got me locked in
Locked inside your loveYou've got me locked in
Locked inside your love
You've got me locked in
Locked inside your love
