

# Window Wishing

Dionne Warwick

Through my window I just saw you  
You were walkin' by with someone new-ew  
Oh what I'd give to be walkin' wi-ith you

Window wishin', that's all I do  
Just window wishin' because of you  
Without your love I can't go on  
And face this world

For me there'll never be another you  
Oo-oooh-oo-oo-oo-oo-oooh-oooh  
Oo-oooh-oo-oo-oo-oo-oooh-oooh

I'll just be hopin' and prayin' you'll be callin'  
And you'll say let's give love one more try-why  
If our love ends when you call I wi-ill die

So I stay here, all through day  
A million teardrops can't wash away  
The ache I feel here in my heart  
Now that you're gone

And now I cry, I'm...  
Window wishin', you're lonely to  
And window wishin', the way I do  
But not to me  
Without your love I can't go on

For me there'll never be another  
There will never-never be another  
Oh no, never-never be another  
And window-ow wishin', a-window-ow wishin'  
Oh-oh there will never-never be another  
Oh no, never-never be another

And a-window-ow wishin', oh-oh window-ow wishin'  
Yeah-eah, there will never-never be another  
Oh no, never-never be another  
A-window-ow wishin' [fade]
