

The Raven

[Alan Parsons](#)

The clock struck midnight
And through my sleeping
I heard a tapping at my door
I looked but nothing lay in the darkness
And so i turned inside once more To my amazement
There stood a raven
Whose shadow hung above my door
Then through the silence
It spoke the one word
That i shall hear for evermore Nevermore
Thus quoth the raven, nevermore And still the raven remains in my room
No matter how much i implore
No words can soothe him
No prayer remove him
And i must hear for evermore Quoth the raven, nevermore
Nevermore
Thus quoth the raven, nevermore
