Don't Try This At Home

Malachai

Tonight i will attempt the most un-terrifying feat
be wild and unpredictable and land back on my feet
don't try this at home
'cos i'm a pro
let's take it back to 70
let's take it back to whenever we
remember the good memories
let's all feel the sun
let's take it back to 70
let's take it back to whenever we
remember the good memories
let's all feel the sun
