Met this girl walking in the ghetto
(Uh huh, uh huh)
Looking good but looking down
(What's you say, come on by)
Said she needed inspiration
(What'd you say)
I said, 'Get yo shit cause we're goin uptown'
(Uptown baby, uptown, say what)
I could tell she was feelin better
(Yeah, yeah come on, yeah)
When she got inside the car
(When she got inside the car)
She was a dark-skinned girl with pretty cornrows
(uh uh)
She was doin her best to try to hide her scars
(Say come on now, what you say now)I don't really careAbout that there, just get involved
Boy you, makin' me feel, uh oh so real
Just get involvedEvery time i take you around friends
(Come on, every time I take you around friends)
I catch them looking at you love
(Lookin' at you love, lookin' at you love like that)
You know it never ever bothered me
Because i know that i'm the one you're thinking ofI don't really careWord up, word up, word up yo
Raphael just stopped in his tracks
Get involved and make it into the pack
You know the way that you present your thing
We in the belly so we might as well cling
The way you shine shorty you da shit
The princess in the pauper pit
We may be poor but we rich in soul
Just get involved and get in control

Just get involved and get in control
You know the way we do it, yo we rollOh, oh, oh, ohS-A double-D-I-Q
Yo, he want to get involved with you
Mr. S-A double-D-I-Q
Yo, he want to get involved with you
Mr. S-A double-D-I-Q
Yo, he want to get involved with you
Mr. S-A double-D-I-Q
Yo he want to get involved
