

Let It Go

Stephen Simmonds

I give you more than you ask for,
I go beyond your demands
I came to change, you can be sure,
I came to alter the plan there comes a time when I'm feeling,
there comes a time when it shows
that's when I know I'm believing
when the spirit is one with the soul chorus:
I just let go, (I^I^I^I)
don't you know I just let go, (I I^I^I I I^I)
that's what I'm talking about,
who needs control?
when all we really want to do is:
let it go repeat verse 2 repeat chorus and adlib I just let it go, just let it go repeat 4 times
I'm just letting go
down in my soul who needs control when all we really want to do is...
