

# Sad Sad World

Sheryl Crow

I know you hate me,  
I see that now.  
If I was unhappy,  
I'd be someone you could still care about.  
I think its stupid and sad  
That everything turned out so bad,  
And enemies make the most interesting friends. I'm gonna write you a long letter,  
I'm gonna get you on the telephone.  
Three little words to make it all better.  
Maybe I'll leave this,  
Whole thing alone [Chorus]  
Oh....it's a sad sad world  
Without you in it,  
And I'm a bad bad girl  
For letting you down  
And I remember every crazy minute  
Oh....it's a sad sad world, without you around Were too much alike for our own good  
We both hate fighting no matter how misunderstood.  
I want to tell you that your stubborn,  
I want to tell you I never lied.  
I want to tell you that your friends talk to way too much,  
And I want to know what happened to that friend of mine? [Chorus]  
Oh....it's a sad sad world without you in it  
And I'm a bad bad girl  
For letting you down  
I remember every crazy minute  
Oh...its a sad sad world without you in it [Chorus]  
Oh....it's a sad sad world without you in it  
And I'm a bad bad girl for letting you down  
I remember every fucked up minute  
Oh..its a sad sad world without you around.
