

Wouldn't It Be Good

Placebo

I got it bad
You don't know how bad I got it
You got it easy
You don't know when you got it good
It's getting harder
Just keeping life and soul together
I'm sick of fighting
Even though I know I should
The cold is biting
Through each and every nerve and fiber
My broken spirit is frozen to the core
Don't wanna be here no more
Wouldn't it be good to be in your shoes
Even if it was for just one day?
Wouldn't it be good if we could
Wish ourselves away?
You must be joking
You don't know a thing about it
You've got no problem
I'd stay right there if it were you
I got it harder
You couldn't dream how hard I got it
Stay out of my shoes
If you know what's good for you
The heat is stifling, burning me up from the inside
The sweat is dripping from each and every pore
Don't wanna be here no more
Don't wanna be here no more
Wouldn't it be good to be in your shoes
Even if it was for just one day?
Wouldn't it be good if we could
Wish ourselves away?
Wouldn't it be good to be on your side?
The grass is always greener over there
Wouldn't it be good if we could live
Without a care?
Without a care, without a care
Without a care, without a care
