

Mad Love's Comin'

Golden Earring

You want different positions
To keep your love life successful
And you want a happy ending
With lots of stud potential reliable and perpetual
Without being distasteful My papa says it's not the size
Or nor the way it's looking, it's the way it moves
On stiletto shoes papa sure improves
But I bet he's just tryin' to be commercial yeah So let me say something simple to you
Before we get to do the do baby I love you
That takes care of that, you can take off your hat
You and me gotta be the lucky few There's a tourist in the city, that went and lost his lady
On the purpose if you ask me, he'll have to find a reason
To cover up the treason, meanwhile let's hope the night never ends Meanwhile let's hope the night never ends
'Cause mad love is coming, I know mad love is coming Mad love is coming, I know, mad love is coming
Mad love is coming, I know, mad love is coming Out on the corner city boy routine
Right on the border of enemy territory
This is how far you've come, this is how far you've gone
There's a fool's moon out, silence true love It's cruel cruel street's a mean school
Too many blows, below the belt you know
This is how far you've come, this is how far you've gone
There's a fool's moon out, makin' me shout Mad love is coming, not too soon
On beds that sail outta the blue
Mad love is coming, all day through
Who's afraid of romance, is doomed Mad love's coming, all over your walls
Into your life, it creepy crawls
This is how far you've come, this is how far you've gone
There's a fool's moon out, making me shout Mad love is coming, not too soon
On beds that sail outta the blue
Mad love is coming, all day through
Who's afraid of that romance, is doomed
