Loving Life

Lysa

You know life
will sure take you through ups and downs
But you have to take the bitter with the sweet
You see I've had my share of heartaches and pain
But I'm blessed to say I'm still standing here strong
I've learned to find the lesson and happiness in every situation
My mama always told me everything that looks good to you is not always good for you
Now one more thing
Before you try to love someone make sure you love yourself
I sure love me some me
And I'm Loving life

Now I'm loving life
And I'm feeling good about myself
In control of my whole world
And I learned just how to love myself
Now I'm loving life
And I'm feeling good about myself
All my tears have turned to joy
I've learned how to protect my heart
Cause I'm so happy

Now I'm living my life
Look at me now
I made it through my ups and downs
Turned all my frowns into a smile (yea)
No more rainy days its all sunshine
Now I'm living my life (to the fullest)
Listen I know exactly what I want
Validated by the man above (yea yea yea)
Cause its nothing like his endless love

And now I'm loving life (I'm living baby)
And I'm feeling good about myself(oh yes it feel real good, I tell you)
In control of my whole world (I'm in control now)
And I learned just how to love myself (hey hey hey heyy)
Now I'm loving life (I'm feeling good about myself)
And I'm feeling good about myself (I'm loving me I got no more tears)
All my tears have turned to joy (You see the smile up on my face)

I've learned how to protect my heart
Cause I'm so happy
Now I'm living my life

See I appreciate me (I ain't perfect)
Love me in spite of my flaws (What you see is what you get)
I Love me from where I came from
And the best part of my life has just begun
Now I'm living life
Like A Queen should
Royalty is what I deserve (Is what I deserve)
I can live like I want, Afford what I want
Drive any car, Buy the clothes that I want
Living life abundantly

Now I'm loving life (I deserve the best baby)
And I'm feeling good about myself (& I feel so good inside)
In control of my whole world (I control it all baby)
And I learned just how to love myself
Now I'm loving life (I'm loving myself)
And I'm feeling good about myself
All my tears have turned to joy (no more crying nights)
I've learned how to protect my heart (I've learned how to protect my heart)

I hope my now this song has helped you to feel good about yourself
As I feel about myself
No matter how many times you fall
You have to get up, dust yourself off
Its nothing wrong with a fresh start and new beginning
So do Lysa a favor
Keep God first in your life
And learn to love yourself just as HE loves you

Now I'm loving life (Oooo, come on, sho nuff)
Now I'm loving life (Oh yea loving life yea and it feels real good)
Now I'm Loving life (It's sweet Lysa yea)

And now I'm loving life
