Tangled Up In Plaid

Queens Of The Stone Age

I slipped, didn't mean
Didn't mean to do it that way
But I blew in on a whim
Gone tomorrow, shit, I'm gone today
Oh yeah, oh yeah, oh yeahCome, lets play along
And let each other lose
A win would cause an alarm
Don't matter to me, don't matter to you
Oh yeah, oh yeah, oh yeahI could keep you all for myself
I know you gotta be free, so free yourself
I could keep you all for myself
I know you gotta be free, so free yourselfA self-inflicted wound, your gift, impeccable aim
Can really clear a room
All the bodies piled up in your way
Oh yeah, oh yeah, it hurts so bad
And it must, oh yeahI could keep you all for myself
I know you gotta be free, so free yourself
I could keep you all to myself
I know you gotta be free to kill yourself, yeah
