Mine

L.A. Guns

I can see now that you're darker
Than the rolling hills at night
You're standing right before me
Yet somehow still you're out of sightAnd I can't forget the evening
You came knocking on my door
And the dark gift that you gave me
As my life spilled on the floor
You whispered one wordOne word
One word
One word
MineEyes that dance like fire
Shadows spilling from your hair
And you gave your love so freely
To my white flesh lying bareAnd I never drank so deeply
As I did my dying day
You filled me so completely
That you washed my soul away
You whispered one wordOne word
One word
One word
MineI want to hold you
Please let me hold you
I've got to touch you
Please let me touch youI've got to feel you
I need to love you
I'm not gonna hurt you
Mine
You whispered one word
Mine
