

# For The Love Of You

## Tony! Toni! Tone!

Da da da da dum  
Um um  
Yeah yeah, oh, ho oh oh  
Oh wo  
Um, can I talk to you for a minute?  
Inseparable, that's how we were  
Through anything, you were my world  
I gave to you, you shared with me  
For the love of you, I'd give anything  
I would chill with you  
You and your crew  
Never complained 'bout the things you do  
But it see it now, how it all went down  
Can't take no more  
Don't want you around  
Never told me the whole truth  
Now I'm wishing that I knew  
The real you  
How could you do this to me?  
Never hurt so much  
I see, plans I made for you and me  
They can't be  
These are the last tears that you'll see from me  
Cause I ain't gonna cry no more  
Cause I'm sick of you hurting me  
I ain't gonna cry no more  
'Cause you don't deserve me  
I ain't gonna cry no more  
Pack your stuff up and leave  
I ain't gonna cry no more  
Cause I'm tired of you, me and she  
And now I can't believe all the things you did  
All your secret trips, just to see your kids  
What about the crib that I've never been?  
Is that the one that she lives in?  
But soon you'll see  
That the man he's not  
The "un-love" affair will soon be forgot  
And you will miss me, but I won't miss you

You can pull the key, cause now we're through  
Never told me the whole truth  
Never wishing that I knew the real you  
You didn't have to do what you did to me  
Never hurt so much I see  
Plans we made for you and me  
They can't be  
These are the last tears that you see from me  
Cause I ain't gonna cry no more  
Cause I'm sick of you hurting me  
I ain't gonna cry no more  
'Cause you don't deserve me  
I ain't gonna cry no more  
Pack your stuff up and leave  
I ain't gonna cry no more  
Cause I'm tired of you, me and she  
Used to think that you and me were in love for sure  
But you led me on, but I was wrong  
But now I found I don't need you around  
You gotta bounce  
I'm tired  
Cause I ain't gonna cry no more  
Cause I'm sick of you hurting me  
I ain't gonna cry no more  
'Cause you don't deserve me  
I ain't gonna cry no more  
Pack your stuff up and leave  
I ain't gonna cry no more  
Cause I'm tired of you, me and she  
Ain't gonna cry  
I ain't gonna cry  
It's not the fact that it's your baby  
But it's the fact that you lied  
And you hurt me  
Pack your stuff and leave  
I'm sick of you  
I'm through with you  
I'm done with you  
I'm tired of you  
I'm tired of your lies  
I ain't gonna cry no more
