Okay though[Verse 2: Chance The Rapper]

Uh, she beat her face up with that new Chanel

She like the price, she see the ice it make her coochie melt

When I met her in the club I asked her who she felt

Then she went and put that booty on that Gucci belt

We don't got no label

She say she want bottles, she ain't got no table

She don't got no bed frame, she don't got no tables

We just watching Netflix, she ain't got no cable, okay though

Plug, plug, plug, I'm the plug for her

She want a nigga that pull her hair and hold the door for her

Baby, that's only me, bitch, it okay with me

Baby, okay, okay though[Pre-Chorus: Justin Bieber & DJ Khaled]

Yeah, you're lookin' at the truth, the money never lie no

I'm the one, yeah (that's right), I'm the one, yeah

Yeah, you're sick of all those other imitators

Don't let the only real one intimidate you

See you watchin', don't run outta time now

Lookin' for the one? Well, bitch, you're looking at the one

I'm the best yet, and yet, my best is yet to come

'Cause I've been lookin' for somebody, not just any fuckin' body

Don't make me catch a body, that's for any and everybody

Oh my God! She hit me up all day, give no response

Bitch, you blow my high, that's like turning gold to bronze
Roll my eyes
And when she on the molly she a zombie
She think we Clyde and Bonnie, but it's more like Whitney Bobby
God, forgive me
Tunechi and finessin', I'm a legend
Straight up out The Crescent, fly your bae down for the Essence
For the record I knew Khaled when that boy was spinnin' records
Mula gang winning record, I'm just flexing on my exes, oh God! [Pre-Chorus: Justin Bieber & DJ Khaled]
Yeah, you're lookin' at the truth, the money never lie no
