Baby Astrolab

Drugstore

My baby astrolab
Let's go and take a walk outside
Before it gets too cold
I want you to hold me
And pretend you know
Every single secret this universe holds
Now and foreverMy baby astrolab
My baby astrolab
Take my hand, take my heartI hope you understand
That everysingle thing up there
Falls into nothingnessSo come on baby astrolab
Let's get away before it's over
Now and forever
My baby astrolab
My baby astrolab
Take my hand, take my heart
