Static

She Craves

I donâ€™t want to be the one

Keeping you around

And I donâ€™t want to be the one

The one who lets you down

Take a minute and think about it

How youâ€™re always right

And thereâ€™s no need to doubt what you canâ€™t live without

Giving me, giving me a piece of your mind

Thereâ€™s a place in the attic where your static gets out of my head

It gives me chills to hear you knocking so I lock myself in bedrooms instead

Oh itâ€™s easy baby to let your self in

Yeah itâ€™s easy baby to start a fight when you know that youâ€™ll win

See I donâ€™t want to be the one

The one whoâ€™s never wrong

And I donâ€™t want to be the one

Stringing you along

Well take a minute, yeah and think about it

How youâ€™re always right

And thereâ€™s no need to doubt what you canâ€™t live without

Giving me, giving me a piece of your mind

Thereâ€™s a place in the attic where your static gets out of my head

It gives me chills to hear you knocking so I lock myself in bedrooms instead

Oh I know itâ€™s easy baby to let your self in

Yeah itâ€™s easy baby to start a fight when you know that youâ€™ll win

Is anybody listening?

Anyone home?

Anybody out there?

Does anybody know?

Is anybody listening?

Anyone home?

Is anybody out there?

Well take a minute, yeah and think about it

How youâ€™re always right

And thereâ€™s no need to doubt what you canâ€™t live without

Giving me, giving meâ€¦.

Oooooooooooooâ€¦itâ€™s out of my head

(Thereâ€™s a place in the attic where your static gets out of my head)

Yeah it gives me chills to hear you knocking so I lock myself in bedrooms instead

Oh itâ€™s easy baby to let your self in

Yeah itâ€™s easy baby to start a fight when you know

When you know that youâ€™re gonna win
