

In Bloom (1991)

Nirvana

Sell the kids for food
Weather changes moods
Spring is here again
Reproductive glands He's the one
Who like all our pretty songs
And he likes to sing along
And he likes to shoot his gun
But he don't know what it means
Don't know what it means
And I say
He's the one
Who like all our pretty songs
And he likes to sing along
And he likes to shoot his gun
But he don't know what it means
Don't know what it means
And I say yeah We can have some more
Nature is a whore
Bruises on the fruit
Tender age in bloom He's the one
Who like all our pretty songs
And he likes to sing along
And he likes to shoot his gun
But he don't know what it means
Don't know what it means
And I say
He's the one
Who like all our pretty songs
And he likes to sing along
And he likes to shoot his gun
But he don't know what it means
Don't know what it means
And I say yeah
