

Alone With You

Jake Owen

I don't see you laugh, you don't call me back but you kiss me when you're drunk
I don't know your friends, don't know where you've been why are you the one I want
Don't put your lips up to my mouth, and tell me you can't stay, don't slip your hand under my shirt, and tell me
it's ok don't say it doesn't matter cause it's gonna matter to me
I can't be alone with you, got me out on the edge everytime you call and I know it would kill me if I fall, I can't
be alone with you
Please, don't chain that door, I can't win this war your body is like a pill I shouldn't take

Don't put your lips up to my mouth, and tell me you can't stay, don't slip your hand under my shirt, and tell me
it's ok don't say it doesn't matter cause it's gonna matter to me
I can't be alone with you, got me out on the edge everytime you call and I know it would kill me if I fall, I can't
be alone with you

Don't put your lips up to my mouth, and tell me you can't stay, don't slip your hand under my shirt, and tell me
it's ok don't say you love me cause you know you're gonna love me and leave
I can't be alone with you, got me out on the edge everytime you call and I know it would kill me if I fall, I can't
be alone with you
I don't see you laugh, you don't call me back but you kiss me when you're drunk
