Deeper

James Durbin

I lost myself again
In the dead of the night, the dead of the night
I'm on a chase of fate as the world rushes by
I'm bound to collide
And now I won't wait to walk away
My last mistake
Every time I go under I'm running from thisAnd I try so hard
But I can't wake up
I'm speeding up the meter and the sirens echo on
And it's all too wrong
But I can't let go
I'm falling even deeper, but it's better than beforeI found myself again
With the dead of the night, the dead of the night
It takes me to a place
That I wish I could find a way out of my mind
Too much to think
Too late to stay
I try to break
But again and again I am calling for helpAnd I try so hard
But I can't wake up
I'm speeding up the meter and the sirens echo on
And it's all too wrong
But I can't let go
I'm falling even deeper, but it's better than beforeIt hurts to go
So why do you need?
So why do you need?
To see me walk right out the door
I'm on my way
Help!And I try so hard
But I can't wake up
I'm speeding up the meter and the sirens echo on
And it's all too wrong
But I can't let go
I'm falling even deeper, but it's better than before
