

Boy Next Door

Triple Image

dear stevie,
i just wanted to let you know
that i've been thinking about ya lately
and since you've been gone
i wanna let you know,
that i miss you boy
i miss you boy

well it's been three weeks since you went away
it might sound crazy but i count the days
i miss the little things that we used to do
and those are the things that i liked about you
and now your gone, i don't know what to do
you never knew i had a crush on you
i miss you boy
i miss you boy

well i wake up in the morning getting ready for school
combin my hair, trying to look cool
but i looked in the mirror and i said to myself
why'd you have to leave me all by myself
i know you didn't know it, never said it before
but i had a crush on the boy next door
i miss you boy
i miss you boy

(chorus)

i had a crush on the boy next door
and now he's gone shoulda told him before
but it's never too late, to be my friend
maybe someday i'll see you again
and i wanna tell you from my heart
that i know what it's like to be apart
i miss you boy
i miss you boy

well as time goes on, boy it's easy to see
that you were the one, the one for me
i don't know how to say it, you know it's true
cuz all i do is think about you

cuz your on my mind every minute of the day
and now it's time for you to hear me say
i miss you boy
i miss you boy

well the summer time's coming, wanna see you again
i hope you come back, and be my best friend
now i hope in my heart that this dream'll come true
cuz without you it's like a roomin of you,
i want you to know, i never felt this before
but i miss you, love the girl next door
i miss you boy
i miss you boy

i had a crush on the boy next door
and now he's gone shoulda told him before
but it's never too late, to be my friend
maybe someday i'll see you again
and i wanna tell you from my heart
that i know what it's like to be apart
i miss you boy
(i miss ya boy)
i miss you boy
(i miss ya boy)

i had a crush on the boy next door
and now he's gone shoulda told him before
but it's never too late, to be my friend
maybe someday i'll see you again
and i wanna tell you from my heart
that i know what it's like to be apart
i miss you boy
(i miss ya boy)
i miss you boy
(i miss ya boy)

i had a crush on the boy next door
and now he's gone shoulda told him before
but it's never too late, to be my friend
maybe someday i'll see you again
and i wanna tell you from my heart
that i know what it's like to be apart
i miss you boy
(i miss ya boy)

i miss you boy
(i miss ya boy)

(ring ring)

'hey, this is brianna leave a message at the tone'

hey bree this is stevie
sorry i didn't get to say goodbye
but i hope you get this message cuz i miss ya so much
i know we're far away but we can still keep in touch
i know you never knew i never said it before
i got a crush on you the girl next door
i miss ya girl
i miss ya girl

i had a crush on the boy next door
and now he's gone shoulda told him before

i miss you boy
(i miss ya boy)
i miss you boy
(i miss ya boy)

i had a crush on the boy next door
and now he's gone shoulda told him before

maybe someday i'll see you again
and i wanna tell you from my heart
that i know what it's like to be apart
i miss you boy
