

I Love You Too Much

Steve Earle & The Dukes

Honey you make me feel like you care a lot
But I-I-I-I, I love you too much
Baby you make me feel like you need me a lot
But I-I-I-I, honey I need you too much When you say those words of love to me
It makes me feel so good inside
But when the sunshine comes and you must leave
It only leaves me with my own foolish pride Baby you make me feel like you care a lot
But I-I-I-I, honey I love you too much
Baby you make me feel like you care a lot
But I-I-I-I, honey I love you too much Oh when you say those words of love to me
I know you know you make me feel so good inside
But if by break of day you never can stay
There must be something in our love that I don't know about
That you feel you've got to hide You make me feel like you care a lot
But I-I-I-I, honey I love you too much
Baby you make me feel like you care a lot
But I-I-I-I, honey I love you too much Hey I love you, I love you, love, love you
Baby, baby, baby, baby
Baby, baby, baby, baby
I love you, I need you, I love you
Feel me, feel me, feel me
Feel me, love me, love me I love you baby, don't let nobody tell you that
I love you baby, oh oh I love you
Baby, have you ever wished
That forever nighttime could last
Don't leave my heart a broken glass
Baby oh oh Sometimes I feel like I love you
I love you, I love you, I love you, I love you
Maybe three much yeah, I love you You make me feel like you care a lot
But I-I-I-I, I love you too much
You make me feel like you care a lot
But I-I-I-I, honey, I love you too much
You make me feel like you care a lot
But I-I-I-I, I love you too much
