

# 2 of You

Danity Kane

[Verse 1: D. Woods (Group)]

You make me hotter than Jamaica (oh)

Proceed with caution, 'cause you're dangerous (oh, maybe it's 'cause)

Maybe it's just 'cause you're patient (oh)

'Cause every minute boy I'm trying to savor, ooh[Pre-chorus: Dawn]

When you're passin' by me I just want to do

Every little thing she wanna do for you

How could anyone not fall in love with you

You're so good to me, I wish that I had you[Chorus: Group, Dawn lead vocals]

You're so hot, there must be two of you

Boy you got me havin' breakfast in the afternoon

When you take my body (take my body) up to the moon

With me feelin' so good there has to be two of you

If you feel it let me hear it 1 time

If you with it let me hear it 2 times

If you with me let me hear it 3 times

If you been there let me hear it 4 times[Verse 2: Aundrea (Group)]

I don't care about your paper (oh)

Or how many games you play for whoa

Don't worry bout me bringin the bullsh' (oh)

'Cause this feels too good to funk it up[Pre-chorus: Dawn]

When you're passin' by me I just want to do

Every little thing she wanna do for you

How could anyone not fall in love with you

You're so good to me, I wish that I had you[Chorus: Group, Dawn lead vocals]Let me see (your hands) up in  
the air yeah, do your dance

Tell me what you came here to see (to see)

Come on and rock me![Verse 3: Aubrey]

My name is Aubrey (what)

And I'm so cold (what)

My style is flashy, your style is old

'Cause I'm fly as hell, with the juicy humps, I don't want your man, 'cause I got enough

So don't be mad at me 'cause he be callin' my phone

I got my eye on one guy, tell him leave me alone He likes my personality, one of a kind, I'm so unique

I set the trends, you follow me but this one brings me to my knees![Chorus: Group, Dawn lead vocals]
