## Rick Springfield

So, this is the cage that I built  
Why I built it I don't know  
It's bars made of anger and guilt, no lock  
But somehow it just wouldn't let me go  
All hail the messenger of love  
I got your message loud and clear  
Now I'm hungry to be healed  
And you can't, you can't keep me away  
I'm free  
(When we are one, I am complete)  
I'm free  
(And I'm undone and I will be healed in your eyes)  
I had to close a door in my life for another one to open  
So I, I could go through  
Though I had no guiding light  
And no signs somehow it still lead me to you  
I learned a lesson here in love  
And it's ringin' loud and clear  
Now, I'm ready to reveal all the things  
That before I could never say  
I'm free  
(When we are one, I am complete)  
I'm free  
(And I'm undone and I will be healed in your eyes)  
All hail the messenger of love  
I got your message loud and clear  
Now, I'm hungry to be healed  
And you can't, you can't keep me away  
When we are one  
I am complete  
And I'm undone  
And I will be healed in your eyes  
I'm free  
(When we are one, I am complete)  
I'm free  
(And I'm undone and I will be healed in your eyes)  
I'm free  
(When we are one, I am complete)  
I'm free  
(And I'm undone and I will be healed in your eyes)  
I'm free  
(I'm free)  
I'm free  
(I'm free)  
I'm free  
(I'm free)  
I'm free  
(I'm free)  
I'm free

(I'm free)
