Over It

Ages and Ages

I'm over it, I'm over it, I'm over it, uh huh
I'm over it, I'm over it, I'm over it, uh huhEven in my apartment
With the noise of the freeway
And I feel so separate
Yet I feel no shameI'm over it, I'm over it, I'm over it, uh huh
I'm over it, I'm over it, I'm over it, uh huhAnd all they tell me is progress
I don't want any part of
And I feel no remorse
No, I feel no shameFound it and it's all
Just as we thought it should be
Waited up forever
Or what seemed like it to meAnd I have (and I have) no remorse (no remorse)
For the way that I am anymore
No I feel (no I feel) feel no shame (feel no shame)
If you want you could just look awayAnd I have (and I have) no remorse (no remorse)
For the way that I am anymore
No I feel (no I feel) feel no shame (feel no shame)
If you want you can just look awayAnd I have (and I have) no remorse (no remorse)
For the way that I am anymore
No I feel (no I feel) feel no shame (feel no shame)
If you want you can just look away
