Outlier

Odyssey

You was smart, you played no part,
You just thought what you thought, yeah.
And I remember when you walked out of Garden State, cos,
You had taste, you had taste, you had no time to waste.Oh, what happened to you kid?
Yes lord, what's happening now?On and on, and on, and on,
You never played us wrong, or stayed too long.Oh, what happened to you kid?
Yes lord, what's happening now?
