

The Swagga

Gorillaz

Alright, wanna be a teacher in the team
Get to come in naked cause it's clean
I wanna be your make-up with the seam
Just take a shaker, make it mean I won't get over the dam
Cause it's just like that old mile
Every four o'clock in the morning
I think I'm gonna die Check, I'll hold you
I wish it was you Gotta get a cat up a CK
Cause that's where we're at
Gotta give a car the beetles
Cause they're just sad But I won't get over it now
Cause it's half-drawn on the shout
It could be four o'clock in the morning
If you wish it'd got no style I gotta shit out like I was never
On the fallerest town to be
I could wish this way forever
But I aint ever gonna be clean No, I can't get shot, albeit, no
I can't get shot, albeit, no
I can't get shot, ooh Wanna grow to keep it in tune
Gonna make it easy for you
Wanna be the cavern in the cold
Just get this on with everything the kids enjoy But I won't get over it soon
Cause it ain't light at full noon
At four o'clock in the morning
I got cheering up to do If that's not you there, there aint no shot
It's just like walls I never trod But I go, ooh
I just go, ooh
We all go, ooh, yeah
We all go, ooh, alright
