

# Sunflower

Glen Campbell

Sunflower a good mornin'  
You sure do make it like a sunny day  
Sunflower fair warnin'  
I'm gonna love you if you come my way Now if there's a chance that romance will find you  
Better not find you lookin' the other way  
Now isn't it time you finally take it  
Make it so real it steals your breath away, hey hey hey Sunflower a good mornin'  
You sure do make it like a sunny time  
Sun mornin' good mornin'  
And some day child I'm gonna make you mine Well if there's a chance that romance will find you  
Better not find you lookin' the other way  
Isn't time you finally take it  
Make it so good it steals your breath away, hey hey hey
