

Deeper Kinda Love

Sammy Hagar

A deeper kinda love
Has no borderlines, no ties
A deeper kinda love
Can bring you down
And lift you up so high A Phoenix starts to rise
From the ashes inside my soul
Leaving old wounds behind
A new me is born
And you show me your world So dangerous but I let go
And when I fall, I fall deep
Into a deeper kinda love A deeper kinda love
Can also bring hurt and pain
And in the shadow that it casts
Lies jealousy, fear and hate The more I have to win
The more I have to lose and it hits home
And when I think of losing you
And your deeper kinda love
You've shown me a world So dangerous, still I let go
And when I fall, I fall deep
Into a deeper kinda love
A deeper kinda love A deeper kinda love
Has no borderlines, no ties
And a deeper kinda love
Can bring you down
And lift you up so high A Phoenix starts to rise
From the ashes inside my soul
Leaving old wounds behind
A new me is born
And you show me your world So dangerous but I let go
And when I fall, I fall deep
Into a deeper kinda love Show me your world
(A deeper kinda love)
Show me your world
(A deeper kinda love) Show me your world
(A deeper kinda love)
Show me your world
(Just show me your world) Show me your world
(A deeper kinda love)
Show me your world

(A deeper kinda love)
Show me your world
(A deeper kinda love)
Show me your world
