Blue Monday

New Order

How does it feel When you treat me like you do And you've laid your hands upon me And told me who you are? I thought I was mistaken And I thought I heard your words Tell me, how do I feel? Tell me now, how do I feel? Those who came before me Lived through their vocations From the past until completion They will turn away no moreAnd I still find it so hard To say what I need to say But I'm quite sure that you'll tell me Just how I should feel todayI see a ship in the harbor I can and shall obey But if it wasn't for your misfortunes I'd be a heavenly person todayAnd I thought I was mistaken And I thought I heard you speak Tell me how do I feel? Tell me now, how should I feel?Now I stand here waitingI thought I told you to leave me While I walked down to the beach Tell me, how does it feel When your heart grows cold? How does it feel? How does it feel? How does it feel?And I thought I told you to leave me While I walked down to the beach Tell me, how does it feel When your heart grows cold?
