Ooh

Ooh

If you're askin' me to say
Livin' life without you, girl, is alright

If you really want to know
I'd have to say it's dangerous to my mind

So before you turn and walk away
Just let me love you one more time

Feel your heartbeat close to mine
Let me love you all the time

Lady, love me

Yes, I'm askin' you to stay
Remembering it used to be so right

If you're askin' for the truth
I'd have to say I won't believe it's goodnight

So before you turn and walk away
Just let me love you one more time

Feel your heartbeat close to mine
Lady, love me all the time

Lady, love me

Doo

Doo

Doo

So before you turn and walk away
Just let me love you one more time

Feel your heartbeat close to mine
Lady, love me all the time

Love me, lady, all the time

Let me love you one more time
Hold me closer, now you're mine

Lady, love me one last time

Lady, love me

Ho, love me, lady

Ooh

So before you turn and walk away
Just let me love you one more time

Feel your heartbeat close to mine

Lady, love me one last time

Lady, love me

Let me love you one more time

Feel your heartbeat close to mine

Lady, love me all the time

Lady, love me

Let me love you one more time

Feel your heartbeat close to mine
