

# Taking a Chance On Love

## Wynton Marsalis

Here I go again, I hear those trumpets blow again.

    All aglow again, takin' a chance on love.

    Here I slide again, about to take that ride again.

Starry-eyed again, takin' a chance on love. I thought that cards were a frame-up, I never would try.

    Now I'm taking that game up and the ace of hearts is high.

    Things are mending now, I see a rainbow blending now.

We'll have a happy ending now, takin' a chance on love. Here I slip again, about to take that trip again.

    I got that grip again, takin' a chance on love.

    Now I prove again that I can make life move again.

Um - I'm in the groove again, takin' a chance on love. I walk around with a horse shoe, in clover I lie.

    And brother rabbit of course you better kiss your, foot good-bye.

    On that ball again I'm ridin' for a fall again.

    I'm gonna give my all again takin' a chance on love.
