Pulsars

Tiny fingers from afar
Born to sow your push-up braBillions spent on your new campaign
The greater the profit, the greater the painHey Mister
That nose of yours seems to grow
Hey MisterI got to know
How about the kid down in Olongapo?
I got to know
I hate your stinking logoHey Mister
You sinister Pinocchio
Hey MisterI got to know
How about the kid down in Olongapo?
I got to know
I hate your stinking logoSpare me your attempts to charity
I smell business strategy
