

Moving on Up

M People

You've done me wrong, your time is up
You took a sip from the devil's cup
You broke my heart, there's no way back
Move right out of here, baby, go on pack your bags Just who do you think you are?
Stop actin' like some kind of star
Just who do you think you are?
Take it like a man, baby, if that's what you are 'Cause I'm movin' on up, you're movin' on out
Movin' on up, nothin' can stop me
Movin' on up, you're movin' on out
Time to break free, nothin' can stop me, yeah They brag a man has walked in space
But you can't even find my place
There ain't nothin' you can do
'Cause I've had enough of me, baby, bein' part of you Just who do you think you are?
This time you've gone too far
Just who do you think you are?
Take it like a man, baby, if that's what you are 'Cause I'm movin' on up, you're movin' on out
Movin' on up, nothin' can stop me
Movin' on up, you're movin' on out
Time to break free, nothin' can stop me Movin' on up, movin' on up, movin' on up
Movin' on up, movin' on up, movin' on up
Movin' on up, movin' on up, movin' on up
Movin' on up, movin' on up, movin' on up Movin' on up, you're movin' on out
Movin' on up, nothin' can stop me
Movin' on up, you're movin' on out
Time to break free, nothing can stop me
Movin', movin', movin', nothin' can stop me
Movin', movin', time to break free, nothin' can stop me
